<input type="checkbox"/> APPROVED AS NOTED	<input type="checkbox"/> REJECTED

Approval is only for general conformance with the design concept of the Project and the information given in the Contract Documents. Contractor is responsible for dimensions to be confirmed and correlated at the job site; information that pertains solely to the fabrication process or to the means and methods of construction; coordination of the work of all trades; and performing all work in a safe and satisfactory manner. This approval does not modify Contractor's duty to comply with the Contract Documents.

This review is only for general conformance with the design concept of the project and general compliance with the information given in the Contract Documents. Review of the shop drawings and any corrections or comments made does not relieve the contractor from compliance with requirements of the plans, specifications and applicable codes. Approval of a specific item shall not include approval of an assembly of which the item is a component. The Contractor is responsible for: dimensions to be confirmed and correlated at the job site; information that pertains solely to the fabrication processes or to the means, methods, techniques, sequences and procedures of construction; coordination of the work of all trades; and for performing all work in a safe and satisfactory manner.
